

THE ALL-NEW ŠKODA
FABIA
MONTE CARLO

ŠKODA
SIMPLY CLEVER

ADD SOME FLAIR TO EVERYDAY LIFE

In order to prove itself over and over again on race tracks like the legendary Monte Carlo Rally, ŠKODA was usually in a bit of a hurry so to speak. For the FABIA MONTE CARLO version, ŠKODA took more time.

The compact dimensions, roominess and economic, yet agile running make this car a perfect urban transport option, fulfilling your everyday needs with natural strength and ease. Together with the black exterior details, the FABIA MONTE CARLO catches the eye on any track. And as in every ŠKODA there is even more to marvel at with the Simply Clever ideas that turn the most stylish ride into the most comfortable one.

That's Simply Clever. That's ŠKODA.

7 YEAR
WARRANTY*
UNLIMITED KM

*Conditions and exclusions apply, see <https://www.skoda.com.au/owners/warranty>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under Australian Consumer Law and do not limit or replace them.

NOT TO BE MISSED ON ANY ROAD

The FABIA Monte Carlo radiates strength and confidence through its striking design. Black exterior highlights add to the vehicles distinguished look and express a sophisticated, sporty character.

STYLISH REAR

The rear features glossy black finishes to the badging on the 5th door, rear spoiler and diffuser. The Monte Carlo's dynamic appearance is further accentuated by the rear privacy glass, which also provides an added layer of protection from the sun in warmer weather.

BLACK FRONT AND SIDE

Glossy black elements feature on the front grille, front bumper spoilers, door sill covers and external side mirror caps for a striking look.

MONTE CARLO BADGE

The uniqueness of the car is emphasised by the Monte Carlo badge on the front fenders, which recalls the success of ŠKODA vehicles at this legendary rally.

Monte Carlo is a registered trademark by Monaco Brands

The image shows the interior of a car, specifically the driver's side. The steering wheel is black with a perforated texture and features the Opel logo in the center. The dashboard is black with a large central touchscreen displaying a navigation map. The center console has a gear shifter and handbrake. The seats are black with a textured fabric. Red accents are visible on the dashboard and center console. The car is parked on a road with a wooden railing and a scenic view of mountains and a lake in the background.

ENTER AN EXCLUSIVE CLUB

Stepping inside the FABIA Monte Carlo makes you feel exceptional. The spacious interior features high quality materials and unique possibilities in terms of design, technology and comfort. With Plenty of attractive features for your comfort and safety, including sports comfort front seats in premium cloth, a sports steering wheel, the 10.25" virtual cockpit, LED ambient lighting and advanced safety assist systems make this car fun to drive. When inside you'll never step out of your comfort zone

SPORTS STEERING WHEEL

The sporty style of the FABIA MONTE CARLO's interior is enriched by the three spoke flat bottom steering wheel in black perforated leather, which is decorated with the Monte Carlo plaquette and chrome elements for added visual appeal.

Monte Carlo is a registered trademark by Monaco Brands

Overseas model shown

COMFORT IS YOUR CODRIVER

DECORATIVE ELEMENTS

The all-new FABIA Monte Carlo's dashboard, decorated with chrome details to the air vents, contrasting red highlights and carbon effect treatments, combine aesthetics with perfect functionality.

Monte Carlo is a registered trademark by Monaco Brands

ROOMINESS

The spacious interior offers ample knee and headroom as well as luggage space, and is comparable to vehicles a category above the Monte Carlo.

Overseas model shown

WIRELESS CONNECTIVITY

FABIA FEATURING WIRELESS APPLE CARPLAY® & ANDROID AUTO™+

Combining our smart car with your smartphone was always going to be a good idea. FABIA featuring wireless Apple CarPlay® & Android Auto™ seamlessly connects compatible apps from your smartphone to your SKODA. So, whether you want to listen to music or receive turn-by-turn directions, you can do it all without touching your phone.

+ FABIA MONTE CARLO featuring SmartLink wireless Apple CarPlay® and Android Auto™ is compatible with the latest versions of iOS and Android, active data service required, optional connection cable (sold separately).

Overseas model shown

WIRELESS CHARGING / USB-C CONNECTIVITY

The FABIA MONTE CARLO comes with an enlarged storage cubby with an integrated wireless charging pad for convenient, wire-free charging of your smartphone whilst driving. This compartment is not only easily accessible, but is also suitable for large display devices. Two USB-C ports located in the centre console allow you to connect your external devices without the need for dongles or adapters.

VIRTUAL COCKPIT

With its 10.25" display, the Virtual Cockpit (digital instrument panel) offers all key vehicle and systems based information, including navigation guidance and safety system data in stunning clarity. Driver's can also customise the display to suit their preference by selecting from one of five different layouts via controls on the multi-functional sports steering wheel.

VIRTUAL SURROUND SOUND

Enjoy absolute clarity whether it is music or the spoken word. The FABIA Monte Carlo is equipped with six speakers to enhance your driving experience with virtual surround sound.

COMFORT IN THE BACK

USB-C outlets are provided in the front and rear of the cabin for easy and convenient access to all passenger's.

SPORTY INTERIOR

The aluminium inlays with FABIA inscriptions provide a premium touch.

The interior decorated with red metallic details and carbon décor confidently parades its sporty style without losing any of its practicality.

BE A GENUIS, OR FIND SOME IN EVERY CORNER

UMBRELLA IN DOOR

An ingenious compartment integrated into the driver's door is designed to let water, retained from wet umbrella's, to drain away from the car. An original complimentary ŠKODA umbrella is also provided.

A place for everything and everything in its place. The FABIA MONTE CARLO is loaded with Simply Clever features that pop up all around the car, providing even more practicality.

TICKET HOLDER

The simply clever ticket holder is the perfect solution for clearly displaying your parking ticket and ensuring it is not lost.

DOUBLE-SIDED LUGGAGE MAT

A multi-purpose protective layer for the luggage space, choose from the elegant fabric side up for everyday use or easily switch over to the washable rubber side when transporting items likely to cause a mess.

LUGGAGE COMPARTMENT

It's always better to have your things in order. Whether it is at your home or in your car. That can easily be achieved in the all-new FABIA Monte Carlo. Thanks to its generous luggage capacity and simply clever solutions, you can rest assure everything will stay in the right place.

LUGGAGE HOOKS

You'll be hooked as soon as you use them. Whether it's a shopping trip or a trip away, these handy hooks are great for hanging bags from and creating more space.

BOOT CAPACITY

The luggage compartment with a basic volume of 380 litres can be extended up to 1,190 litres by folding down the rear seats.

NET SYSTEM

One horizontal and two vertical nets increase the flexibility of the luggage space while firmly securing objects and loose items.

PEDAL COVERS

The stylish interior is complemented by sports pedal covers in alloy design. The rubber facets on the pedals prevent your shoes from slipping.

COMFORT AND STYLE

The interior features front sports comfort front seats with side bolsters and integrated head rests, which provides maximum driving comfort. The premium fabric upholstery in black with red and grey stripes is complemented by the black roof lining

SAFETY AT YOUR FINGERTIPS

The FABIA Monte Carlo's comprehensive advanced safety assistance system will ensure you feel safe and comfortable no matter where you drive.

ADAPTIVE CRUISE CONTROL

Using the radar device situated in the front grille, this enhanced cruise control system, which operates up to speeds of 210 km/h, regulates the vehicle's set speed according to the vehicle ahead and maintains a safe gap based on the selected distance parameter.

LANE ASSIST

Lane Assist helps to keep the FABIA Monte Carlo inside the lane in which it is travelling. Using the windshield camera, the system can detect unintended lane changes, providing a visual warning and applying active steering correction to adjust the vehicle's position back within the lane, to prevent a collision.

ADDITIONAL EXPERTS ON BOARD

You can encounter various things on the road. To ensure that the car is ready to handle all situations that may occur on route, additional assistance with multiple functions are on hand to help or fill in for the driver.

PARK ASSIST

Minimise the hassle of parking in tight spots with Park Assist. This feature utilises the front and rear parking sensors to scan the desired parking space (parallel and perpendicular) before automatically parking the vehicle for you.

Park Assist available as an optional extra.

SIDE ASSIST

Using radar sensors in the rear bumper, Side Assist monitors the area beside and behind your car to detect other vehicles and cyclists up to 70m away. Upon entry of the detection zone, the system provides a visual alert to warn the driver of a potentially hazardous situation.

REAR TRAFFIC ALERT

Utilising the same rear bumper integrated sensors of the Side Assist system, the Rear Traffic Alert function helps you reverse safely from parking spaces with poor visibility by scanning for objects approaching the rear. Upon detection, an acoustic alert is issued, and if required to avoid collision, the brakes applied thanks to the Manoeuvre Braking Assist feature.

POWER TO THE PEOPLE

The new 110TSI engine in the FABIA MONTE CARLO offers outstanding performance without compromising on comfort or the environment.

CONVENIENCE KEY

With the convenience key, you can lock/unlock your car and start or stop the engine without the need of physically touching your key. Now that is convenience.

ENGINE

The FABIA MONTE CARLO comes equipped with the potent 1.5L 110TSI engine coupled with a 7-speed DSG, delivering exceptional performance with seamless transition between gears, whilst also achieving great fuel economy.

Rear	Compound link crank-axle
WEIGHT	
Tare Mass (kg)	1265
Roof load limit (kg)	75

‡ Please note figures are sourced from overseas data where equipment levels by model variant may vary.

*The Start/Stop system is designed to reduce fuel consumption and CO₂ emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

**Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

WELCOME TO CARE-FREE OWNERSHIP

ŠKODA Care is about making sure that same level of attention to detail remains long after you've made your purchase, making owning a ŠKODA as fantastic as buying one.

7 YEAR WARRANTY[^] UNLIMITED KM

After getting behind the wheel of a ŠKODA, it's not hard to see why they're so beloved by their owners. Quite simply, ŠKODA vehicles are made to be driven and we want to keep your journey a long and happy one. And the way it works is simple. ŠKODA Australia provides a 7 Year/Unlimited Kilometre Warranty[^] on all new vehicles. Every new ŠKODA vehicle includes one year ŠKODA Assist[±] (Roadside Assistance), from the warranty start date. To thank you for your loyalty, complimentary Service Initiated Roadside Assistance (SIRA for short) will be activated if the vehicle is returned to an authorised ŠKODA Dealer for scheduled service, as per the ŠKODA Service Schedule milestones. For more information and eligibility, please visit www.skoda.com.au/owners/roadside-assistance

ŠKODA Service Pricing

Buying a car is one thing, but owning a car is something else entirely. We're sure you'll want to know the costs of any service before you book it in. The cogs in our heads have been turning and we've come up with a solution we think is pretty clever. Our handy online service calculator can help you find the cost of your next service, scheduled to occur every 12 months/15,000 kms (whichever occurs first)*. No hidden expenses, no nasty surprises.

Genuine Parts

You don't have to be a genius (AKA a ŠKODA technician) to know that non-genuine parts aren't as good as using genuine ones. Our philosophy towards fixing your car is simple; the parts we use are identical to the parts used in the production of your car originally. Genuinely. And with a nationwide, two year, unlimited kilometre warranty[^] on all genuine parts, peace of mind comes easily too.

Service Packs

Why worry about handling payment of your services on an ad-hoc basis when you already know you need to get them annually? Conveniently, you can save time by pre-paying your servicing with a 7 Year/105,000km (whichever occurs first) or a 5 year/75,000kms (whichever occurs first) ŠKODA Service Pack at any of our ŠKODA dealers. That way you can simply book a service time that suits you, and the costs are already covered. your car, serviced at your convenience.

Service & Maintenance Subscription Plans

Say goodbye to unwelcome surprises. By signing up for the ŠKODA Service and Maintenance Monthly Subscription Plan, you're covered for all standard scheduled services as well as your maintenance repairs#. Even better, all your service and maintenance requirements are pre-approved# - quotes are a thing of the past. Simply select the option that suits your drive style, and sign up at your local dealer today so that you can have real peace of mind knowing that the work is carried out by ŠKODA technicians – factory trained to ensure your ŠKODA gets the right treatment.

REMOVE ANY DOUBT WITH ŠKODA CHOICE.

ŠKODA Choice

ŠKODA Choice[±] is a flexible finance program that allows you to guarantee your vehicle's minimum future value[±] at the time of purchase, giving you peace of mind knowing the value of your ŠKODA is secured.

- ✓ Freedom to tailor your contract term and kilometre allowance to suit your lifestyle.
- ✓ Fixed interest rate for the life of your Loan with no account keeping fees.
- ✓ At the end of your ŠKODA Choice contract you can select from three simply clever options – trade-in, retain or return.
- ✓ Opportunity to upgrade your ŠKODA more often, enjoying the latest model with the best innovations and technology.

HOW IT WORKS

Step 1

Choose your favourite ŠKODA model.

Step 2

Choose your preferred term from between 12 and 48 months, along with an annual km allowance and repayment options that suit your lifestyle.

Step 3

At the end of your chosen term, select from one of the three end of term options:

Trade in

If you wish to trade-in your ŠKODA for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value[±], you can use this equity towards your new vehicle.

Retain

If you prefer to retain your ŠKODA, simply let us know. Provided that you also meet the relevant payment obligations under your contract, you can purchase your vehicle outright for the Guaranteed Future Value amount locked in at the start of the contract[±]. Then your ŠKODA is yours to keep. Or you can choose to refinance your balloon at the end of the term.

Return

All you need to do is hand your car back and, if the vehicle meets the agreed kilometre and fair wear and tear requirements[±], you will have no more to pay.

For more information on our Guaranteed Future Value program, visit <https://www.skoda.com.au/finance/skoda-choice>

[±]ŠKODA Choice consists of an option to return your vehicle to ŠKODA Financial Services (SFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires SFS to purchase the vehicle at an agreed price determined by SFS, known as the Guaranteed Future Value (GFV). At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to SFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator ŠKODA vehicles for selected models. Contact your nearest ŠKODA dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.
